

## Position Paper Transitions Examples

### TRANSITIONAL EXPRESSIONS

Effectively constructing each transition often depends upon your ability to identify words or phrases that will indicate for the reader the *kind* of logical relationships you want to convey. The table below should make it easier for you to find these words or phrases. Whenever you have trouble finding a word, phrase, or sentence to serve as an effective transition, refer to the information in the table for assistance. Look in the left column of the table for the kind of logical relationship you are trying to express. Then look in the right column of the table for examples of words or phrases that express this logical relationship.

Keep in mind that each of these words or phrases may have a slightly different meaning. Consult a dictionary or writer's handbook if you are unsure of the exact meaning of a word or phrase.
